CALL FOR PAPER

The 10th International Workshop on Network-based Virtual Reality and Tele-Existence (INVITE'2015)
(http://www.sb.soft.iwate-pu.ac.jp/nbies2015/invite2015/)
in conjunction with
The 18th the International Conference on Network-Based Information Systems (NBiS'2015)
(http://voyager.ce.fit.ac.jp/conf/nbis/2015/)
Taipei, Taiwan, September 2-4, 2015

SCOPE
As advent of high-speed network and grid computing technologies, virtual reality environment distributed over gigabit network has been shared to construct a huge shared space where many new applications including Tele-medicine, space and industrial design, entertainment, virtual museum, 3D-shopping, etc. are realized using computer graphics device, huge computing power and human sensing devices.

The INVITE'2015 is the 10th international workshop and will serve as a forum for the exchange of information and ideas regarding with Network-based Virtual Reality and Tele-existence. The INVITE'2015 is will be held in conjunction with International Conference on Network-Based Information Systems (NBiS'2015) Taipei, Taiwan. We invite you to participate in the INVITE'2015 workshop and submit papers on the research, development and applications on topics related to network-based virtual reality and Tele-existence. Since the field of VR is still evolving, the scope of the conference is broad. Among the areas that INVITE'2015 will cover are:
- Software Architectures for Network-based VR
- Tools and Techniques for Modeling Network VR Systems
- Distributed VR Systems
- VR Interaction and Navigation Techniques
- Tele-presence and Telemedicine
- Spatial 3D Audio
- Motion Tracking
- VR Input and Output Devices
- Innovative Applications of VR
- Evaluation of VR Techniques and Systems

IMPORTANT DAYS
Submission Deadline: March 25, 2015
Author Notification: May 25, 2015
Author Registration: June 25, 2015
Final Manuscript Due: June 25, 2015

PAPER SUBMISSION
Papers representing original, unpublished work are invited to be submitted and will be evaluated based on originality, significance, technical soundness, and clarity of exposition. Submitted papers should be formatted in a two-column Conference Publishing Services (CPS) format (URL: http://www.computer.org/portal/web/cscps/submission/) and should not exceed 6 pages including figures and references.

Please send ishida@mx.ibaraki.ac.jp

For submission details please contact:
Ph.D. Tomoyuki Ishida
Department of Computer and Information Sciences, College of Engineering
Ibaraki University,
4-12-1 NAKANARUSAWA, HITACHI, IBARAKI, 316-8511 JAPAN
Email: ishida@mx.ibaraki.ac.jp
TEL +81-294-38-5138

PROGRAM COMMITTEE
Program Chairs:
Yoshitaka Shibata, Iwate Prefectural University
Tomoyuki Ishida, Ibaraki University
Program Committee
Koji Koyamada, Kyoto University
Masao Yokota, Fukuoka Institute of Technology
Yasuo Ebara, Osaka University
Nobuyuki Kukimoto, Cybernet Systems Co. Ltd.
Hideo Miyaji, Cybernet Systems Co. Ltd.
Teruo Matsuzawa, Japan Advanced Institute of Science and Technology
Tetsuro Ogi, Keio University
Akihiro Miyakawa, Nanao City
Kaoru Sugita, Fukuoka Institute of Technology
Noriki Uchida, Saitama Institute of Technology
